CCSC HAPPENINGS

HIGH HOPES

CCSC has maintained BLUE Ribbon status for employment! CCSC and the Individuals served, are doing really well getting out in the community and finding employment. If an Individual served is interested in finding employment, please contact CCSC.

IN THE SPOTLIGHT

October is Down syndrome Awareness Month. To celebrate try to carry out a random act of kindness every day. Don't forget to wear blue & yellow throughout the month of October.

MAMA IS A HAPPY CAMPER

This event held at Wonderland Camp is for moms of children who have disabilities. Treat yourself to a weekend getaway filled with activities, relaxation, and moms who understand. Laugh, enjoy new friends and enjoys activities such as: yoga, meditation, wine & cheese around the fire, karaoke, archery, and nature paths. This fun filled weekend starts October 4, 2019. Register today at wonderlandcamp.org.

FYI

The America Red Cross publishes a Disaster Preparedness Guide for persons with disabilities. This guide recognizes & discusses how to be better prepared in an emergency situation for those with physical, cognitive, medical, and sensory challenges. Download this guide at : www.redcross.org/get-help/how-to-prepare-for-emergencies/disaster-safety-for-people-with-disabilities.html

Champ Clark Service Coordination (CCSC) and its Service Coordinators are proud to serve the residents of Pike County who have developmental disabilities and their families. CCSC strives to connect individuals and families with community resources, services, events, and advocates to provide supports to meet the needs of those Individuals and their families.

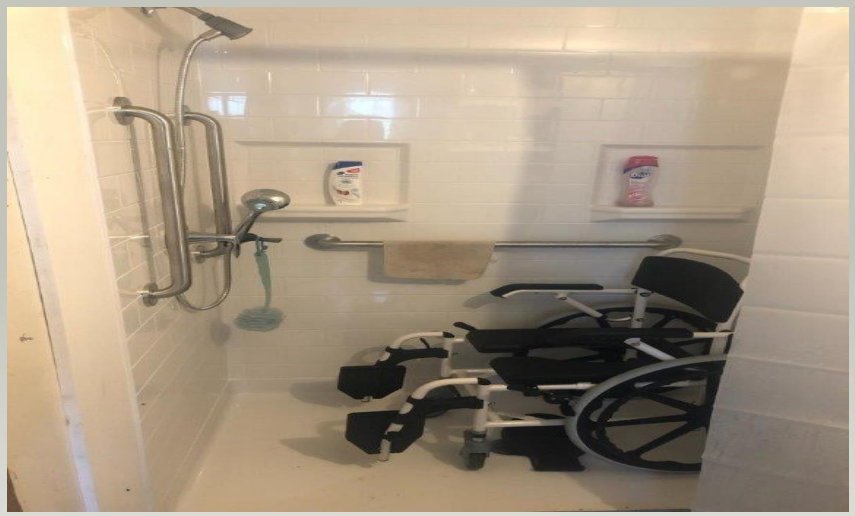
CHAMP CLARK SERVICE COORDINATION AND THE PARTNERSHIP FOR HOPE

The Partnership for Hope Waiver began October 1, 2010. This is a county-based waiver that is a result of a partnership with the Missouri Association of County Developmental Disabilities Services, the Division of Developmental Disabilities (DD), and the MO HealthNet Division. This waiver can serve adults and children. Eligibility requirements for participants include: being eligible for Missouri Medicaid; meeting eligibility criteria for Division of DD services; confirmation that needs can be met with current community support system and waiver services not to exceed an annual cost of $12,362, and meeting ICF/ID Level of Care. In 2010, Pike County was one of the first counties to participate in the Partnership for Hope. With this Partnership, the cost of services are split between the federal government (60%), State (20%) and the County Board (20%). In 2017, when Champ Clark Service Coordination was formed, we took on the cost from Pike County Senate Bill 40. We currently have 11 individuals in the Partnership for Hope. The PFH Provides services such as Specialized Medical Equipment, Transportation, Day Habilitation Services, Environmental Adaptation (Home Modifications), Supported Employment, Career Planning, Self- Directed Services, Temporary Residential Services, and Community Integration. All of these services allow individuals to continue living in their homes and communities.

Partnership for Hope provides hope for independent living!


This roll in shower and shower chair were obtained through the Partnership for Hope Waiver. This home modification and specialized medical equipment give a young man the ability to continue living in his home independently.
